## **BLOCK PARTIES INFORMATION & CONDITIONS OF USE 2010**

---

### ***General Information***

A permit is required when a group of residents wish to close off a City street (residential) for the purpose of a party.

The Block Party Permit is issued through the City of Lethbridge Recreation & Culture Department for a nominal fee. In addition to the permit fee, applicants are responsible to provide for placement of barricades to close the street to vehicular traffic during the event. The City of Lethbridge will provide appropriate barricades for an additional fee.

Application must be made in person by a homeowner on the block specified on the permit. Applicants must provide a petition signed by 100% of the residents on the block listing: names, addresses, owner or renter, approval or disapproval and reason for disapproval. A map showing the location of the block party and the location of the temporary street closure must be included with the application.

Block Party approvals are granted on an individual basis considering such things as disapprovals on the petition, location and previous history of block parties at the location.

### **CONDITIONS OF USE**
