## **Census 2012**

The City Clerk's Office is responsible for conducting the census and for the collection of census information. The Municipal Government Act provides the authority for municipalities to conduct a census. Alberta Regulation 63/2001, the Determination of Population Regulation, defines official census, population, and provides the time frame to conduct an official census, and submission of results to the Minister of Municipal Affairs.

If you have any questions regarding the information collected or the statistical data provided in this report please contact:

The City of Lethbridge conducts a census to establish the total population of the City.

### **Per capita grants**

Municipal data is useful to both municipal and provincial governments as decisions regarding future transportation networks, the location of schools, parks, utilities and fire protection facilities are based to a large extent on statistics on population growth collected in the municipal census. Many of the grants received from the provincial and federal governments are awarded on a per capita basis and a census count ensures that maximum grants are received.

### **Basic Census**

A basic census was undertaken. Information collected included validity of the address, if the dwelling unit was occupied, unoccupied, a vacant lot, or under construction, and if occupied, the number of people living in the unit, their ages and gender.

Every effort was made to reach all households in Lethbridge.

The Office of the City Clerk is confident that everything possible has been done to attain accurate information.

**MEDIA RELEASE**  
Release June 20, 2012

**Lethbridge Census**  
**City of Lethbridge is home to 1,192 new residents**

**Lethbridge, Alberta** – The City of Lethbridge continues to grow with the official 2012 census results at 89,074, an increase of 1.36 per cent over the 2011 municipal census numbers. The strongest growth occurred in West Lethbridge with 784 new residents. There was a slight increase in the population of North and South Lethbridge as well.

“The Census results reflect the City remains a vibrant, dynamic community showing a continued sustainable growth pattern”, says Mayor Rajko Dodic. “The stable growth experienced allows the City to plan for the future more effectively.”

The City of Lethbridge continues to perform a census every year as it provides us an accurate count for provincial and federal funding. Funding received from these sources will be used for facilities such as the Community Arts Centre, Twin Ice Arenas and the new cemetery.

The City is pleased with the commitment of the census takers and the response from residents. “The participation of residents in our yearly census is greatly appreciated,” says David Sarsfield, Deputy City Clerk. “Without the participation and cooperation of our residents, we would not be able to collect the information that we require.” The census taker asked for the number of people living in the household, their age and gender.
