

GYRO PARK

1420 10th 'A' Avenue South

South Side

CITY OF
Lethbridge

Gyro Park is a mature park located in a residential neighbourhood. This park features beautiful mature trees that provide plenty of shade, opportunities for bird watching, and lots of hiding spots for a game of hide and seek.

The well manicured open spaces are ideal for letting little ones burn off some extra energy or simply laying

down a blanket for a family picnic, or relaxing with a good book.

The park also boasts a playground with seating, swings, and climbing apparatus.

The park is home to the Lethbridge Model Railroad Club and there is a clubhouse located on site.
