The Nicholas Sheran School grounds feature large open spaces, a great playground, two baseball diamonds, a soccer pitch, and a great little interpretive pond and creek.

The open space on this school site is large enough for all age groups making it a perfect spot for touch football or ultimate frisbee. Impromptu play on sports fields is permitted as long as the field isn't in use. Scheduled play on all sports fields must be pre-booked through Recreation and Culture.

The playground features swings, slides and a climbing apparatus. The pond and creek provide an interesting spot for nature observation.

Please note: dogs are not permitted on school or sports fields.
