

CANYONS PARK

490 40th ave W (Canyon Parkway)

West Side

CITY OF
Lethbridge

The Canyons Park is a wonderful wide open combination of great big skies, gorgeous views and play opportunities for the young and young at heart. This vast 19 acre park contains nearly 2 km of paved walking trail that loop around 2 storm ponds connected by a lazy river and waterfall feature. The pathways also connect to the regional trail along Canyon Parkway and other regional trails in the Paradise Canyon neighbourhoods.

The playground is a wild adventure, with 2 climbing apparatus, swings and fast slides. Be sure to watch out for wildlife in this park so near the edge of the city and the coulees.
