

Downtown Parking Meter Replacement Project

City Council approved – A Hybrid Parking Solution consisting of:

- Pay-by-Plate Multi-Space Machines (MSMs) with License Plate Recognition (LPR) enforcement and
- Single Space Smart Meters (SSSMs) for all accessibility parking stalls

WHAT'S NEXT?

- Purchase approved Hybrid Parking Solution Spring 2017
- Start operating Hybrid Parking Solution Fall 2017
 - Start up will include: new parking zones signs, instructional signage, on-street parking ambassadors and a *How To* video
