Keeping the Community Connected

Initiated with the Coal Banks Trail, the Regional Trail System continues to grow. The trails are used by pedestrians, cyclists, runners, in-line skaters and people using wheelchairs. The trail is paved and ties the city's neighbourhoods and major parks together. Stairs and bicycle rails are provided at all steep sections.

Bicycles must remain on designated trails and are asked to stay out of the Nature Reserve, Alexander Wilderness Park, Cottonwood Park and Elizabeth Hall Wetlands.

Shale trails are designated for pedestrian use unless otherwise posted.
