Sewerage Service Bylaw  
SCHEDULE "B"

Domestic and Commercial  
Sewage Volume Charge

All Domestic and Commercial customers shall pay a sewage volume charge of **\$0.979** per cubic metre discharged in addition to the service charge in Schedule 'A'.

Winter Average Volume for Domestic Customers

Sewage volumes billed on utility statements with meter reading dates of November 15th to April 14th inclusive shall be equal to the water usage volume.

Sewage volumes billed with meter reading dates of April 15th to November 14th inclusive, shall be equal to the winter average discharge volume that was established for Domestic Customers during the immediate previous winter period.

The winter average sewage discharge volume shall be determined by averaging the water usage figures as recorded on the five monthly utility statements that were billed with meter reading dates of November 15th to April 14th inclusive. For the purpose of this calculation, all monthly water usage figures of less than 5 cubic metres shall be replaced with 5 cubic metres prior to averaging.

Regional Sewage Volume Charges

All consumers located outside the legal boundaries of the City shall be charged the Commercial Sewer Volume Charge rate and are subject to an additional Wastewater Transmission Capital Surcharge of **\$0.006** per cubic metre.
