1. Secondary Motions: Subsidiary

The seven subsidiary Motions listed below are listed in order of precedence, from the highest to the lowest. E.g., it is in order to move to amend a main Motion when the Motion to Postpone indefinitely is pending, but it is not in order to move to postpone indefinitely when an amendment is pending, as the Motion to amend has a higher ranking than the Motion to postpone indefinitely.

Motion	Usage	Process
1. Lay on the table, or “Table”	<p>A Motion to set a pending main Motion aside temporarily, within the course of the Meeting, to accommodate something else of immediate urgency.</p> <p>A motion to lift a motion from the table is required to bring back the motion for debate.</p>	<p>The Motion is not debatable (due to the urgency of the matter) and is not amendable. It may not interrupt a speaker. A majority vote is required to adopt.</p> <p>When the interrupting event is over, the Tabled Motion is lifted from the table and debate is resumed, usually by General Consent (if done formally, this step requires a majority vote).</p>
2. Close debate, or “Previous Question”	<p>A Motion to close debate and vote immediately: “I move we close debate”.</p>	<p>This Motion may not interrupt a speaker.</p> <p>When done formally, it is not debatable and requires a majority vote to adopt.</p> <p>Ending debate can be done informally, by General Consent by saying: “Is there any objection to ending debate?”</p> <p>Pause, then, if no one else wishes to speak, say: “There being no objections, debate on the Motion is closed, and we will proceed to vote on it immediately”.</p>
3. Limit or extend debate	<p>A Motion to limit or extend debate on a Motion. E.g., “I move to limit debate on this Motion to three minutes.”</p>	<p>The Motion may not interrupt a speaker, is not debatable, but can be amended.</p> <p>When done formally, by a Motion, it requires a majority vote.</p> <p>The Motion can be decided by General Consent: “Is there any objection to extending debate on this Motion by ten minutes?” (Pause) “Debate is extended by ten minutes.”</p>

<p>4. Postpone to a certain time</p>	<p>A Motion to postpone consideration of a main Motion to a specified later Meeting or to a specific time during the same Meeting.</p>	<p>The Motion may not interrupt a speaker, and is only debatable or amendable as to the time to which the Motion is to be postponed.</p> <p>A majority vote is required to adopt.</p>
<p>5. Refer</p>	<p>A Motion to send the pending Motion to a Board, Commission, or Committee or the City Manager. The Motion must include:</p> <ul style="list-style-type: none"> • the body to refer the Motion to; • the information sought; • the date for return; and, • the body to return to. 	<p>Any adopted or proposed amendments to the main Motion that are pending at the time the Motion is referred are to be included.</p> <p>The Motion may not interrupt a speaker, is debatable (as to the merits of referral) and is amendable as to:</p> <ul style="list-style-type: none"> • the body to which the main Motion is proposed to be referred; • any instructions to the body to which the main Motion is proposed to be referred; • date to return. <p>A majority vote is required to adopt.</p>
<p>6. Amend</p>	<p>A Motion to change the wording of the main Motion before voting on it. The intent of the Motion cannot be amended. Amendment usually occurs by adding, deleting, or replacing text.</p>	<p>This Motion may not interrupt a speaker, and may not be contrary to the Motion it purports to amend.</p> <p>An amendment is debatable.</p> <p>An amendment to an amendment is allowed, but a third amendment is not.</p> <p>A majority vote is required to adopt.</p>
<p>7. Postpone Indefinitely</p>	<p>A Motion to decline to take a position on a pending main Motion. The effect is to “kill” the main Motion for the current Council term.</p>	<p>The Motion to postpone indefinitely may not interrupt a speaker, is debatable, but is not amendable.</p> <p>A majority vote is required to adopt.</p>

2. Secondary Motions: Privileged

The following privileged Motions can be addressed formally (by a Motion) or informally (by General Consent).

Motion	Usage	Process
1. Question of Privilege	A request or Motion, usually relating to the rights and immunities of the assembly collectively (e.g., a complaint about noise or other distractions), or of an individual Member (e.g., being misquoted)	<p>A question of privilege should interrupt a speaker only if the circumstances require it to interrupt.</p> <p>If the issue relates to noise or another distraction, it is handled informally by the Chair or by General Consent, and a formal Motion or vote is not required.</p>

(Pause) "There being no objection, we are in recess and will resume the Meeting at ____."</p> <p>If dealt with formally a majority vote is required.</p>
3. Bylaw 6418 – October 3, 2023

3. Secondary Motions: Incidental

Below are the most commonly used incidental Motions

Motion	Usage	Process
1. Point of Order	A Point of Order is raised by a Member who believes a rule has been breached. The Member says: "Point of Order" as soon as the violation occurs.	The process is outlined in s. 180.
2. Appeal	A Member who disagrees with the Chair's ruling can appeal it.	The process is outlined in s. 181.
3. Suspend the rules Note: if a rule in this Bylaw that does not originate in applicable legislation is inadvertently not followed, it is deemed to have been suspended by General Consent. If a Member objects, they may challenge, and there will be a vote	A Motion to allow Council or BCC to waive a rule of order for a specific purpose. Note: This Motion cannot be used to suspend any provisions of the Act, or any other applicable legislation.	This Motion may not interrupt a speaker. This Motion may be used when a more flexible approach is needed. For example: "I move to suspend the rules and dispense with the 3:15 pm recess." This Motion may be handled by the Chair informally: "Is there any objection to suspending the rules and removing the 3:15 pm recess?" (Pause). "There being no objections, the Meeting must continue uninterrupted."
