

WEST HIGHLANDS PARK

350 Highlands Blvd. West

West Side

CITY OF
Lethbridge

If you are looking for a tranquil outdoor space, this park is for you. The park features meandering trails throughout the park, multiple areas for reflection, and a covered kiosk area ideal for picnics. Take a quiet stroll around the lake and enjoy the a unique pedestrain bridge that crosses over the water and offers views of park wildlife and water features.

The park also boasts a play area ideal for younger children and open space for those wanting to exercise their creative side or burn off a little extra energy. The trail system connects the park to the West Highlands community and is a great scenic addition to any exercise enthusiast's regular route day or night as the park is lit.

With plenty of parking and multiple accesses this park is great for anyone living nearby or across the city to stop by and enjoy.
