

# TRINITY PARK

29 Trinity Place West

West Side

CITY OF  
*Lethbridge*

Trinity Park is a well designed little park with beautiful mature trees, unique walkways, open space, and a playground.

The playground features swings, slides, a climbing apparatus, and has plenty of seating nearby for parents.

There is plenty of open space for children to play and a great trail running through the park for those looking for a scenic detour from their regular exercise route.
