

# LAKEVIEW GREEN STRIP SOUTH

3120 Lakeridge Blvd. South

South Side

CITY OF  
*Lethbridge*

This is the southern portion of the Lakeview Green Strip connecting the river valley and coulees and Henderson Lake Park. The green strip is beautifully landscaped with an assortment of young and mature trees and a path that meanders through the strip.

The path is frequented by exercise enthusiasts and is easily accessed by the neighbouring communities.

There is playground in the park that provides opportunity for children to burn off a little extra energy prior to resuming the family walk. The playground features slides and climbing apparatus.
