527 Aquitania Blvd West

West Side

CITY OF  
*Lethbridge*

Northlander Park completes the Garry Station entrance experience, providing park and neighbourhood patrons a scenic, natural park. Located on the west side of Garry Port, this park boasts a lush, thriving storm pond full of cattails, rushes and sedges and all the wildlife that enjoy the water. Coots, grebes, mallards along with yellow headed blackbirds can always be spotted in the summer months enjoying the water.

Grab your bike, scooter or whatever gets you outside and moving and explore this growing community and all the scenic parks and trails that connect around this northern corner of the city's west side!
