

SQUAMISH PARK

6 Squamish Court West

Squamish Park is a little park that sits on a knoll overlooking the neighbourhood. The trail system through this park is nice and wide making it ideal for exercise enthusiasts or parents with strollers. The system also connects the park to the rest of the neighbourhood.

There is a playground in the park feature climbing apparatus, slide, and swings. For those looking to burn of a little extra energy there is plenty of open space for a game of tag, touch football, frisbee, or maybe fly a kite.

The park is fairly quiet making it a great destination for families looking for a relaxing afternoon with their little ones or for those looking to get outdoors and relax.
