

MOUNT CRANDELL PARK

290 Mount Crandell Crescent West

West Side

CITY OF
Lethbridge

Mount Crandell Park is a sweet pocket park that is a neighbourhood favorite. A shale trail leads to a great little playground and there's a green space with numerous mature trees for little ones to run around, play hide and seek and burn off some energy.

The playground features swings, slides, and exciting climbing structures sure to excite the imagination. The open space is perfect for a game of tag or tossing a ball around with the kids. The shale pathway provides a scenic route for regular exercise enthusiasts or anyone out to explore the neighbourhood.

There is ample street parking all around the park making it a great destination for families looking for some variety in their park activities.
