

# ST. EDWARDS PARK

1714 St Edward Blvd. North

North Side

CITY OF  
*Lethbridge*

This is a fairly open park featuring a unique climbing apparatus in the playground. For those children who like to climb and hang this is the playground for you. With a couple of picnic tables near the playground this park is a great spot for families to spend an afternoon.

There is also a large open space suitable for young to middle age children to burn off some energy. There is also a small berm suitable for tobogganing.

This is a fairly active park with the outdoor fitness equipment and trails. It is a great spot for the exercise enthusiast.
