Lost & Found

If you have lost an item while riding with Lethbridge Transit, please contact 311 during business hours to retrieve your item. You will be required to provide a description of the item you have lost and personal identification. You will be able to reclaim your item at the Lethbridge Park 'n' Ride customer service centre.

Pets On Board

Pets are welcome on all Lethbridge Transit buses under the following guidelines:

- Only small fur-bearing and feathered pets contained in secure, clean, handheld cages are permitted.
- The cage should be appropriate for the pet's size.
- Cages must be small enough to fit on the owner's lap.
- One handheld cage per passenger.
- Passengers must hold onto their cages at all times and are responsible for the safety of their pets.
- Your Transit Operator may refuse a trip if your pet poses a health or safety risk, or if it misbehaves.

* Owners of certified assistance animals may use public transit. Owners may be asked to provide the animal's verification of training.

Travel Training Program

Lethbridge Transit offers a Travel Training Program that will help you gain confidence in taking Transit. Classes are available in a 1-on-1 setting or for groups. Please contact 311 for an appointment.

Our knowledgeable trainers will teach you:

- How to board the bus safely
- Wheelchair securement
- How to make transfers at our terminals
- How to pay your fare using our LT Fare Card System or cash.
- And much more!

Wheelchair Accessible

Lethbridge Transit is fully wheelchair accessible. All of our buses are low floor, kneeling-enabled and have a deployable ramp. The buses are equipped with the required space and securement equipment to transport wheelchair users. Lethbridge Transit asks that these passengers make use of all safety equipment. These buses are also available for out of town charters should wheelchair securement be necessary.

Courtesy Seating

Seating is available at the front of all buses for customers with limited mobility, the elderly and customers with disabilities. Look for the courtesy seating symbol and when exiting, please use the front door.

Baby Strollers & Carriages

Passengers with infants and young children in strollers and carriages are permitted to board the bus providing they ensure safe travel. Passengers must:

- Always maintain control of the stroller/carriage.
- Place the stroller/carriage in an area that does not obstruct the aisle.
- Secure the wheel locks.

Bike & Ride

Lethbridge Transit is fully equipped with bike racks on all of its Transit buses. Ride part of the way to work and take the bus for part of the way.

myRide

The Lethbridge Transit app displays real-time transit information to help you plan your trip. Launching the app will show your closest route options with arrival times and the distance to the bus stop. Create a profile and customize transit notifications sent to you by text, email or push notifications.

Real-time:

Onboard GPS shows the location of each bus on route and automatically updates the next two arrival times based on the bus' location.

Customizable arrival notifications:

Create a Lethbridge Transit account and customize transit text, email or push notifications. Arrival notifications are fully customizable and can be setup for any and all days of the week.

Customizable news subscription:

With the Lethbridge Transit account you can subscribe to the transit news you need. Subscribe to any or all of the routes and get route specific information that you need for your trip.

The Lethbridge Transit app is free and available for download at your favorite app store.

MyText

Try out the myText to receive real-time bus departure times for your stop by text message.

To use this service, follow these simple steps:

Step 1: Find your bus stop number

Step 2: Text the bus stop number to

587-800-3326

Example: If you are at stop 12326, text:
12326 to 587-800-3326

Step 3: Receive the next 3 departure times

Step 4: To get an update, reply with "R"

*standard carrier charges for text messaging may apply

On Demand

How do I use Demand Response?

It is as easy as 1,2,3!

1. Book a demand response ride
2. We pick you up from an active demand zone or a transfer hub
3. We drop you off within the same demand zone or at an associated transfer hub

Question: How do I book a ride?

- Answer:**
1. Use the "Rides on Demand App" – which is available on the Apple or Android App Stores. The first time you use it, leave some extra time to set up your account.
 2. Call 311
 3. Watch for the vehicle to pull up and be ready! Because we have other passengers waiting, we will only wait for 2 minutes.

Question: Where can I take Demand Response from?

Answer: You can take Demand Response from any point in an active demand zone or a designated cityHUB.

Question: Where can I take Demand Response to?

Answer: You take to Demand Response to any point within the zone you are being picked up in or to the designated cityHUB to transfer to other services.

Question: When should I book my trip?

Answer: You should book your trip when you are ready to leave – the bus will normally arrive within 20 minutes.

Question: Why do I have to wear a seatbelt on the Demand Zone bus?

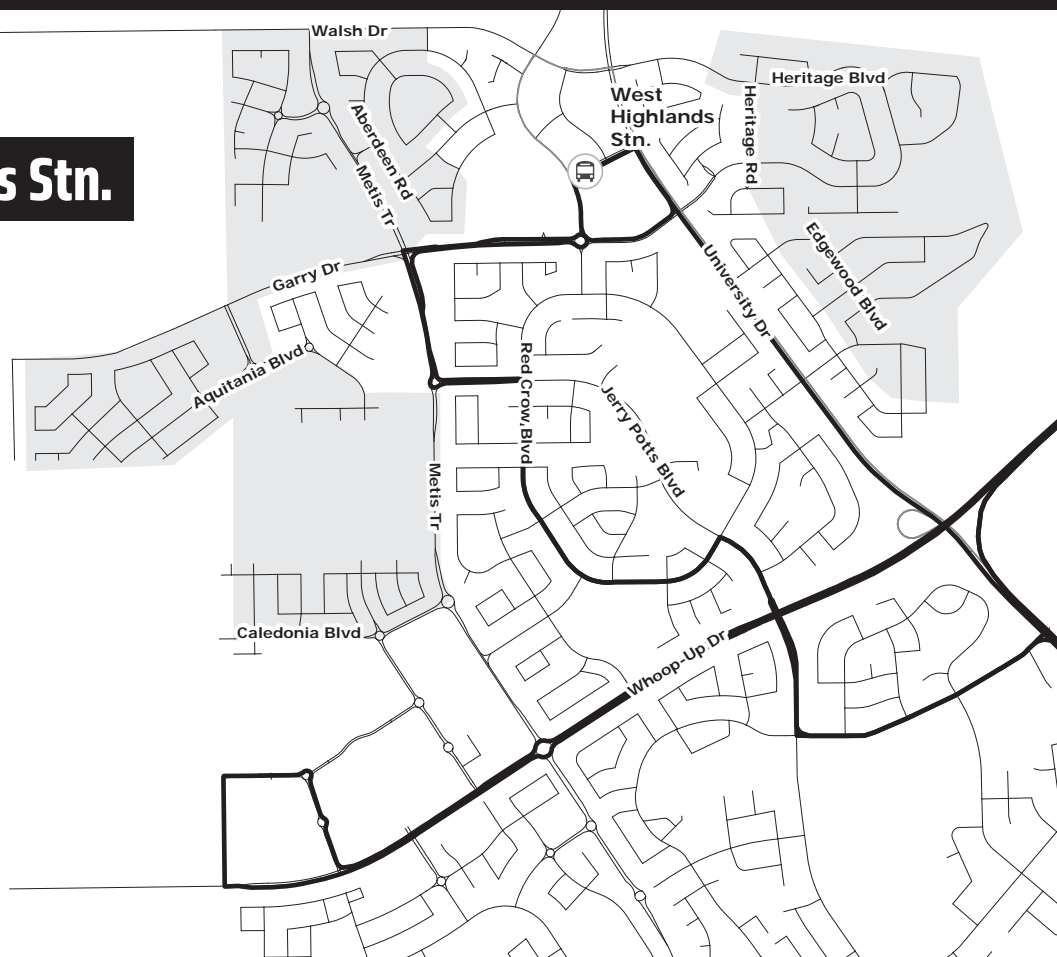

Answer: It is the Law in Alberta that all passengers in this size of vehicles must wear a seatbelt.

Question: Can I bring my children on the bus?

Answer: Yes, but Alberta law states that children younger than 6 or 40 pounds must be restrained in an approved car seat, which you must bring with you.
