

LETHBRIDGE COLLEGIATE INSTITUTE

1701 5th Avenue South

South Side

CITY OF
Lethbridge

Lethbridge Collegiate Institute (LCI) is Lethbridge's largest high school. The school grounds are located on the north end of the campus and consist of two child sized soccer pitches, two youth sized baseball diamonds, and a football upright.

These sports fields see very little use in the evenings other than for school programs and are ideal for impromptu games for soccer, baseball, football or even ultimate frisbee as boisterous play will not impact the surrounding community.

Please note: dogs are not permitted on school or sports fields.
