(2) A notice under subsection (1) must include a summary of the information included in the local improvement plan.

(3) Subject to subsection (3.1), if a petition objecting to the local improvement is filed with the chief administrative officer within 30 days from the notices' being sent under subsection (1) and the chief administrative officer declares the petition to be sufficient, the council must not proceed with the local improvement.

1994 cM-26.1 s396;1995 c24 s58

Local improvement tax bylaw

397(1) A council must pass a local improvement tax bylaw in respect of each local improvement.

(2) A local improvement tax bylaw authorizes the council to impose a local improvement tax in respect of all land in a particular area of the municipality to raise revenue to pay for the local improvement that benefits that area of the municipality.

(2.1) Despite subsection (2), where the local improvement that is the subject of a local improvement tax bylaw of a council of a municipality is a road to benefit Crown land within an area of the municipality, the local improvement tax bylaw does not authorize the council to impose a local improvement tax to raise revenue to pay for the local improvement unless, before it receives second reading, the bylaw is approved by the Minister responsible for the administration of the Crown land.

(3) Despite section 351(1), no land is exempt from taxation under this section.

RSA 2000 cM-26 s397;2015 c8 s51

Contents of bylaw

398(1) A local improvement tax bylaw must

- (a) include all of the information required to be included in the local improvement plan,
- (b) provide for equal payments during each year in the period over which the cost of the local improvement will be spread,
- (c) set a uniform tax rate to be imposed on
 - (i) the assessment prepared in accordance with Part 9,
 - (ii) each parcel of land,
 - (iii) each unit of frontage, or
 - (iv) each unit of area,based on the cost of the local improvement less any financial assistance provided to the municipality by the Crown in right of Canada or Alberta, and
- (d) include any other information the council considers necessary.

(2) The local improvement tax bylaw may set the uniform tax rate based on estimated average costs throughout the municipality for a similar type of local improvement and that rate applies whether the actual cost of the local improvement is greater or less than the uniform tax rate.

1994 cM-26.1 s398

Start-up of a local improvement

399 The undertaking of a local improvement may be started, the local improvement tax bylaw may be passed and debentures may be issued before or after the actual cost of the local improvement has been determined.

1994 cM-26.1 s399

Person liable to pay local improvement tax

400 The person liable to pay the tax imposed in accordance with a local improvement tax bylaw is the owner of the parcel of land in respect of which the tax is imposed.

1994 cM-26.1 s400

Paying off a local improvement tax

401(1) The owner of a parcel of land in respect of which a local improvement tax is imposed may pay the tax at any time.

(2) If the local improvement tax rate is subsequently reduced under section 402 or 403, the council must refund to the owner the appropriate portion of the tax paid.

1994 cM-26.1 s401

Variation of local improvement tax bylaw

402(1) If, after a local improvement tax has been imposed, there is

- (a) a subdivision affecting a parcel of land, or
- (b) a consolidation of 2 or more parcels of land,

in respect of which a local improvement tax is payable, the council, with respect to future years, must revise the local improvement tax bylaw so that each of the new parcels of land bears an appropriate share of the local improvement tax.

(2) If, after a local improvement tax has been imposed,

- (a) there is a change in a plan of subdivision affecting an area that had not previously been subject to a local improvement tax, and
- (b) the council is of the opinion that as a result of the change the new parcels of land receive a benefit from the local improvement,

the council, with respect to future years, must revise the local improvement tax bylaw so that each benefitting parcel of land bears an appropriate share of the local improvement tax.

1994 cM-26.1 s402

Variation of local improvement tax rate

403(1) If, after a local improvement tax rate has been set, the council

- (a) receives financial assistance from the Crown in right of Canada or Alberta or from other sources that is greater than the amount estimated when the local improvement tax rate was set, or
- (b) refinances the debt created to pay for the local improvement at an interest rate lower than the rate estimated when the local improvement tax rate was set,

the council, with respect to future years, may revise the rate so that each benefitting parcel of land bears an appropriate share of the actual cost of the local improvement.

(2) If, after a local improvement tax rate has been set, an alteration is necessary following a complaint under Part 11 or an appeal under Part 12 that is sufficient to reduce or increase the revenue raised by the local improvement tax bylaw in any year by more than 5%, the council, with respect to future years, may revise the rate so that the local improvement tax bylaw will raise the revenue originally anticipated for those years.

(3) If, after a local improvement tax rate has been set, it is discovered that the actual cost of the local improvement is higher than the estimated cost on which the local improvement tax rate is based, the council may revise, once only over the life of the local improvement, the rate with respect to future years so that the local improvement tax bylaw will raise sufficient revenue to pay the actual cost of the local improvement.

1994 cM-26.1 s403;1999 c11 s21

Unusual parcels

404 If some parcels of land in respect of which a local improvement tax is to be imposed appear to call for a smaller or larger proportionate share of the tax because they are corner lots or are differently sized or shaped from other parcels, those parcels may be assigned the number of units of measurement the council considers appropriate to ensure that they will bear a fair portion of the local improvement tax.

1994 cM-26.1 s404

Municipality's share of the cost

405(1) A council may by bylaw require the municipality to pay the cost of any part of a local improvement that the council considers to be of benefit to the whole municipality.

(2) A bylaw under subsection (1) must be advertised if the cost to be paid by the municipality exceeds 50% of the cost of the local improvement less any financial assistance provided to the municipality by the Crown in right of Canada or Alberta.

(3) If financial assistance is provided to the municipality by the Crown in right of Canada or Alberta for a local improvement, the council must apply the assistance to the cost of the local improvement.

1994 cM-26.1 s405

Land required for local improvement

406(1) If a parcel of land is required before a local improvement can be proceeded with, the council may agree with the owner of the parcel that in consideration of

Section 407

- (a) the dedication or gift to the municipality of the parcel of land required, or
- (b) a release of or reduction in the owner's claim for compensation for the parcel of land,

the remainder of the owner's land is exempt from all or part of the local improvement tax that would otherwise be imposed.

(2) The tax roll referred to in section 327 must be prepared in accordance with an agreement under this section, despite anything to the contrary in this Act.

1994 cM-26.1 s406

Exemption from local improvement tax

407(1) If a sanitary or storm sewer or a water main is constructed along a road or constructed in addition to or as a replacement of an existing facility

- (a) along which it would not have been constructed except to reach some other area of the municipality, or
- (b) in order to provide capacity for future development and the existing sanitary and storm sewers and water mains are sufficient for the existing development in the area,

the council may exempt from taxation under the local improvement tax bylaw, to the extent the council considers fair, the parcels of land abutting the road or place.

(2) If a local improvement tax is imposed for a local improvement that replaces a similar type of local improvement,

- (a) the balance owing on the existing local improvement tax must be added to the cost of the new local improvement, or
- (b) the council must exempt the parcels of land in respect of which the existing local improvement tax is imposed from the tax that would be imposed for the new local improvement.

1994 cM-26.1 s407

Sewers

408(1) A municipality may construct a local improvement for sewer if

- (b) the construction is recommended by the Minister of Health or the medical health officer, and
 - (c) the council considers it to be in the public interest to do so.

Land use bylaw

640(1) Every municipality must pass a land use bylaw.

(1.1) A land use bylaw may prohibit or regulate and control the use and development of land and buildings in a municipality, including, without limitation, by

- (a) imposing design standards,
- (b) determining population density,
- (c) regulating the development of buildings,
- (d) providing for the protection of agricultural land, and

(2) A land use bylaw

- (a) must divide the municipality into districts of the number and area the council considers appropriate;
- (b) must, unless the district is designated as a direct control district pursuant to section 641, prescribe with respect to each district,
 - (i) the one or more uses of land or buildings that are permitted in the district, with or without conditions, or
 - (ii) the one or more uses of land or buildings that may be permitted in the district at the discretion of the development authority, with or without conditions,or both;

- (b) for a change in land use designation

may not be made by the same or any other applicant until the time stated in the land use bylaw has expired.

(6) A land use bylaw may authorize a development authority to decide on an application for a development permit even though the proposed development does not comply with the land use bylaw or is a non-conforming building if, in the opinion of the development authority,

- (a) the proposed development would not
 - (i) unduly interfere with the amenities of the neighbourhood, or

(3) On hearing the application and the representations of those persons who are, in the opinion of the judge, affected by the application, the judge may grant permission to appeal if the judge is of the opinion that the appeal involves a question of law of sufficient importance to merit a further appeal and has a reasonable chance of success.

(1.2) A municipal district referred to in subsection (1.1) may revoke its agreement at any time by giving written notice to the other municipal district or municipal districts, and where that notice is given, the municipal districts must comply with subsection (1) within one year from the date of the notice.

(1.3) The municipal districts referred to in subsection (1.1) must review all existing agreements between them prior to determining and agreeing that a framework is not required.

(1.4) A municipal district that under subsection (1.1) does not enter into a framework must

- (a) adopt a resolution that intermunicipal services have been and will continue to be adequately provided by other means,
- (b) notify the Minister of its decision not to enter into a framework by sending a copy of the resolution to the Minister, and
- (c) publish, on the municipal district's website, the reasons for not having a framework.
