

# WILLOW BROOK PARK

70 Lakhotla Crescent West

West Side

CITY OF  
*Lethbridge*

Willow Brook Park is a long linear park with a fantastic section of paved pathway system that connects to the larger neighbourhood parks, Mike Mountain Horse School and Atso Towaawa Park and on to the rest of West Lethbridge's interconnected paths.

There is also a small playground with a futuristic climbing structure complete with slides, lookouts and even a disc swing. A bench is located near the playground to sit and enjoy the kids playing or take in a good book. The park is full of mature trees and provides a lovely shady canopy in the summer.

There is a fair amount of open space in the park ideal for younger children's play as well as horseshoe pits in the north east corner of the park.
